“M.V. Kelly are a successful multi-million pound family company, which continues to grow. It is a friendly, fast-paced and busy environment and we look for hardworking, dedicated and flexible staff to grow and evolve with the business.”

## **Quantity Surveyor Trainee with Fully Funded Degree**

### **Salary: Competitive and flexible benefits**

**Locations:** Coalville Office

**To Start:** ASAP

### **Duration:**

HNC will be completed in two years

Degree completed in five years

### **Entry Requirements:**

- A minimum of five GCSE's (or equivalent) at grades A-C
- 3 B's at A-Level
- Hold/be working towards a full clean driving license

### **Qualifications Gained:**

- BSc (Hons) Quantity Surveying
- Relevant safety qualifications

### **Opportunity**

M.V. Kelly Limited are providing a fully paid degree apprenticeship for aspiring Quantity Surveyors. We offer a competitive yearly salary with many other benefits in addition to covering your course fees.

Upon completion you will gain a qualification as a fully trained quantity surveyor with a wealth of experience and the potential for a permanent job and progression within M.V. Kelly, an award winning and rapidly expanding civil engineering company.

This is an excellent opportunity to get ahead in the field of Quantity Surveying. You will finish the programme with both a professional qualification and real practical experience of the area that will more than equip you for the job of a Quantity Surveyor.

You will be enrolled to begin working toward your qualification after a year of supported training. Once the course commences you will spend one day a week studying towards your degree and the extra four in work applying this knowledge and gaining highly valuable practical experience on major projects with a value of up to £10 million. During work you will be guided by mentors with a wealth of experience in Surveying and Construction to pass on. Speed of progression is according to rate of development and success; nothing will hold you back at M.V. Kelly.

Our aim is to provide you with an experience that allows you to develop your practical skills whilst also providing you with a degree qualification and no university debt.

---
