

**SOS CHILDREN'S
VILLAGES**
A loving home for every child

Katie Jackson

10 December 2015

Dear Katie,

On behalf of SOS Children I am writing to thank you and everyone at MV Kelly Limited for the extremely generous donation of £20,000.00.

Through the kind support of organisations like yours, when children lose their families and have nothing and no one, we ensure that they can grow up in a safe environment by creating new families. Headed by SOS mothers, families live together in our unique SOS Children's Villages, which are located in the heart of communities. Children are able to enjoy their childhood and learn skills so that they can develop into active, responsible adults. We establish schools and medical centres to ensure that more children have the opportunity of an education and access to quality medical care. Every year, our programmes reach over two million people.

I have enclosed a few copies of our most recent newsletter, Family Matters for your sites. If you require any more information about our work, have any queries or would like to arrange a future fundraising event, then please do not hesitate to get in contact. I would be delighted to support you in any way I can.

Thank you once again for being part of the vital work we do and for your continued support: donations like yours make a huge difference to every child in our care.

With best wishes,

Divya Patel
